**SUBMISSION OF ADDITIONAL FILING FEE**

Commissioner for Patents

S I R :

The above-identified United States national phase  
application of International Application PCT/JP2004/012042 was  
filed on February 15, 2006 without an English-language  
translation of the international application and with a total  
national fee of \$1,450.00.

Said total national fee of \$1,450.00 was based on our  
consideration that the Japanese-language application (which we do  
not read) did not include more than three independent claims.  
The English-language translation shows that the international  
application contained four independent claims. Accordingly,  
there is an additional fee of \$200.00 required for the one  
independent claim which is in excess of three claims.

The enclosed check in the amount of \$330.00 is the sum of the \$200.00 fee for the one additional independent claim and the \$130.00 fee for furnishing the English-language translation later than thirty months from the earliest claimed priority date (37 CFR 1.492(i)).

Respectfully submitted,
